

Oregon Direct Access to Achievement Project

“Preparing for Certification” 2011

Be Prepared...

...for Certification in the Oregon DATA Project!

Are you committed to improving instruction and learning for ALL students?

Are you interested in joining the hundreds of educators in Oregon who are leading the improvement effort across the state?

Are you an educational leader serving in one or more of the following roles:

- School Lead (data team facilitator or lead, administrator, building coach)
- Key District Central Office Staff (Curriculum & Instruction, etc.)
- School Improvement Coaches (Statewide Network of Support)
- EBISS, PBIS or RTI coordinator or coach in districts or schools
- University Faculty

Requirements for Participants in Preparatory Study Groups:

- Register and attend the Oregon DATA Project Certification opportunity scheduled for March 2nd and 3rd at Clackamas ESD, Registration: <http://198.236.15.69/ORP/detail.php?RecordID=1745>
- Must attend all preparation sessions offered through your local ESD (contact your ESD for study group schedule).
 - Study Group preparation time including face-to-face meetings, homework assignments and readings, will be approximately 15 hours
 - Complete assigned readings, “quick write” responses to readings, post to blogs and other electronic communication venues and other homework assignments
- Commit to training or coaching sessions with data teams in your school or district within two months of the training
- Participate in periodic follow-up webinars to maintain certification status
- Participate in regional or statewide events to share your learning and experience with others
