

# Statewide Study Group Oregon Direct Access to Achievement Project Preparing for Certification 2011-12

*Be Prepared...  
...for Certification in the Oregon DATA Project!*

*Are you committed to improving instruction and learning for ALL students?*

*Are you interested in joining the hundreds of educators in Oregon who are leading the improvement effort across the state?*

*Are you an educational leader serving in one or more of the following roles?*

- School Lead (data team facilitator or lead, administrator, building coach)
- Key District Central Office Staff (Curriculum & Instruction, etc.)
- School Improvement Coaches (Statewide Network of Support)
- EBISS, PBIS or RTI coordinator or coach in districts or schools
- University Faculty

*Will you commit to preparing for the certification experience and follow-up activities?*

If the answer is yes, we invite you to participate in a virtual study group that will prepare you to attend the Oregon DATA Project's two-day Certification training in October. Your time commitment, including WebEx meetings, homework assignments and reading, will be about 15 hours. PDUs available!
